You should also consider the following:

- If you have not quoted your TFN or ABN or have not claimed an exemption from quoting them, then withholding tax of 47% would have been applied to the distribution. This will impact the preparation of your 2018 Australian Income Tax Return.
- If you are a non-resident for Australian tax purposes, then withholding taxes would have been applied to some or all of the distribution. This may impact the preparation of your 2018 Australian Income Tax Return. Vicinity Centres 2018 Annual Taxation Statements will be sent to investors on 29 August 2018.
