Each investor will be sent a Vicinity Centres 2023 AMMA Tax Statement on 12 September 2023.

You should also consider the following:

- If you have not quoted your TFN or ABN or have not claimed an exemption from quoting them, then withholding tax of 47% has been applied to the distribution. This will impact the preparation of your 2023 Australian Income Tax Return.
- If you are a non-resident for Australian tax purposes, then withholding taxes have been applied to some or all of the distribution. This may impact the preparation of your 2023 Australian Income Tax Return.
